Cowboy Wild: Rough & Ready (Taken On The Ranch Book 3)

Synopsis

In the beginning we promised to keep things strictly sexual. However, the realization that we would soon be parting ways had me questioning what I actually wanted. The end of Summer meant it was time for the local rodeo. After winning the bull riding competition, women all around us couldn't keep their eyes off of Bryce; they all wanted a piece of him. It was too bad for them though, because his eyes were trying to undress me the entire time. Deep down I knew that Bryce could never be tamed but maybe it didn't have to be goodbye forever. For now, I was just going to enjoy the rope tied tightly around my ankles and my strong cowboy between my legs. This is part 3 of the Taken on the Ranch series ([.com/dp/B00RR5PCUE](http://www.amazon.com/dp/B00RR5PCUE)): 1. Caught in the Barn ([.com/dp/B00R298H3O](http://www.amazon.com/dp/B00R298H3O)) 2. It's the end of summer, which means two things. One is that it's rodeo time. And two is that it's the end of Bryce and Mel's summer fling. Bryce has entered the bull riding competition and he won.

Now all the females eyes are on him but he is only looking at Mel. After the rodeo he takes her to the hoedown for a date. Then after that they go star gazing where they both see more stars than the ones in the sky? Will this be the last time that they will see or be with each other? I liked this series. I finished all three books in three days. You will find yourself pulled into the story the more you read it. I recommend this book and series to others.

The 3rd installment of this series is really a great story! I loved all 3 of them! I am so happy with the ending and that love conquers all again! Amazing Author!

This is the final book in the three part series and it did not disappoint. It was a short read but packed full of steamy erotic. Really enjoyed

Liked it, thought it was a great story. Tried to see if there was more to the ending. This was my first time reading anything from you.

The only reason I gave Four out of five stars is the books were way to short. It was like only reading one chapter in each book... I would like to see you write a whole story in one book from the beginning to the end without having to keep buying each chapter , even if they are free

I have got to read the next one now!!! Hot, hot, hot!!!! This is book 3 of the box set! IT'S A MUST READ!!!

good

Simple and sexy story with great imagery to feed your cowboy fantasies. Well written piece of erotica. Three part story is annoying though.
