This book will make students in 1st and specially in 2nd, 3rd, perhaps all the way to 5th grade increase their vocabulary. It is awesome because it has pictures for many of the words. Highly recommendable.

For someone learning Spanish for the first time it would have been nice to have the English word from which to translate. Other wise it is fine.

Happy with my purchase

This is a really handy reference tool at any level but especially for those who like to expand their Spanish vocabulary inventory.
