Customer Reviews

Was a helpful resource but could have been a bit more extensive in recommendations such as hotels. For example, when driving to the Grand Canyon, only 4 motels per neighboring city were recommended. That said, my main interest in buying this book was to know what to expect at the Grand Canyon and I felt like this guide was helpful.

It was OK. We used it extensively. Some of the write ups seemed out of date. As if they'd visited/reviewed them in prior years, but hadn't visited them recently. We got a couple duds on locations.

I'm in Az right now. Have used it everyday so far. Would like to see more dining suggestions in more affordable places. As usual they do Avery good job overall. I have used their guide books many times in the past.

Great travel book-the pics alone. So helpful.

Useful guide for travel recommendations. Well organized.

We bought this to take our kids on road trips in Arizona. It was informative and well organized. Happy travels!

I used this for my trip to Scottsdale and was a good reference book.

A good reference for planning your Grand Canyon trip.
