Terri, aka The Martini Diva, is a contemporary pop artist and a martini fan with a passion for the king of cocktails, The Martini. Her passion for martinis started with the martini glass and grew into a full time profession of creating unique designer martinis and martini art for her blog, website and online martini boutique. Terri has become a leader in the creation of the new designer martini with hundreds of unique, fun and delicious martini recipes for the happy hour lifestyle enthusiast. "It's not just a cocktail - it's a MARTINI!"

I got this as a gift for my sister who was looking for some new ideas for her annual Halloween party at the hotel bar she manages. She served several of the drinks and said her customers loved them. I'm not much of a Halloween party person, but I have tried a couple of the recipes just for fun. Love the Black Cat martini and the Red Devil Appletini!

This book has been very helpful with food and beverage ideas for my annual Halloween party. Fun and delicious recipes!
