Tuscany For The Shameless Hedonist:: Florence And Tuscany Travel Guide 2016 (Italy For The Shameless Hedonist) (Volume 3)

Synopsis

DEAR READER, THIS BOOK WAS PUBLISHED IN 2016. WE HAVE RECENTLY RELEASED A THIRD AND UPDATED EDITION (2017). IF YOU ARE INTERESTED IN THE UPDATED EDITION, PLEASE SEARCH FOR: "TUSCANY FOR THE SHAMELESS HEDONIST 2017 With over 120 tips and detailed recommendations, suitable for various tastes and budgets, Tuscany for the Shameless Hedonist 2016--Tuscany travel guide is a hugely useful resource for anyone visiting this region. Find out where to enjoy a romantic aperitivo with a spectacular view and how to book a dinner in a real, active jail; read which spa resorts offer the most indulgent pampering, which historic mansions shouldn't be missed, and where the best accommodation in Florence is; discover secret restaurants favored by locals, the very best wine tours and tastings, and where to buy award-winning bottles of Chianti, Brunello and the Super-Tuscans. Learn where to find authentic hand-made souvenirs, hot Italian fashion (at outlet prices!), glorious olive oil, and delicious prosciutto; and, naturally, read all about the top recommended cooking classes, festivals, antique markets, B&Bs and guided hikes in the region. In short, "Tuscany for the Shameless Hedonist 2016 Tuscany Travel Guide" is the one guide you need to build not just a good vacation, but an incredible one. Here's what some of our readers had to say about our Tuscany travel guide: "I have read several travel guides in preparation for my trip. Most are rather utilitarian. This book was head and shoulders above the rest. The author provides opinions on everything from roof-top cafes, world renown architecture, antiques shopping, vineyards and more in an in-depth fashion unlike the "standard bearer " in this category. You feel as if you are sipping an espresso talking about her favorite neighborhood spots. This is in a league of its own. You don't want the same old travel babble---you want a perspective from an outlook you can appreciate." DJM, reviewer "Delightful! What more could hedonist want? We were part of a group of friends renting a villa and we insulted every day. It never let us down." Hope, reviewer "Tuscany for the Shameless Hedonist is an alternative guidebook - quirky, opinionated, and full of (mostly) good advice not available (as far as I know) elsewhere. No general lists of sights, restaurants, and hotels; you will still need a conventional guidebook for all that. Arranged by region, this is a collection of particularly recommended places to stay, to eat, to shop, to sightsee, Very helpful in deciding, which winery to visit, where to hear music, how to find regional specialties. Good advice for the rich (not us), but also for those rich in curiosity. Good source for contact information, and the Kindle edition has useful embedded links. I hope the second edition will have an INDEX, which would enhance the usefulness of this guide (especially for Kindle readers)." Robin, reviewer

Customer Reviews

Ariela Bankier is an author and a journalist. She has been living and traveling in Tuscany for the past decade. A curious foodie and a shameless hedonist herself, she boasts such talents as spotting the best focaccia in town in under 30 minutes, locating the finest restaurants in the region, finding chic boutiques and memorable panoramic spots, and infiltrating medieval festivals. She can often be found roaming the countryside, looking for the ultimate pecorino cheese. Her previous travel guides have received stellar reviews. --This text refers to an out of print or unavailable edition of this title.

This looks like a great guidebook, however I returned it as I don't think I was the ideal audience for this book. We were traveling to Florence with our three children and we weren't renting a car. Much of what is suggested you need a car for and would probably be more enjoyable to experience without kids. Many of the Florence restaurant suggestions were covered in Rick Steve's book, so I ended up returning this. If we ever do get to return to Tuscany without kids and with a car, I'd be happy to buy this again.

Great supplement to other guides. We found some great cheese shops, winery recommendations, and cool places to check out from the book. All stuff that isn't in the typical guidebook, and all places that were the highlight of our trip!

Got some great ideas for our 11 day trip through Tuscany - Lots of great recommendations!!

Book just arrived, but don't expect to have any problem with its condition . Giving it for birthday present, along with trip to Italy. Good price for item.

A great book for those of us who like to explore areas that aren't as "touristy".

Tuscany for the Shameless Hedonist is an alternative guidebook - quirky, opinionated, and full of (mostly) good advice not available (as far as I know) elsewhere. No general lists of sights, restaurants, and hotels; you will still need a conventional guidebook for all that. Arranged by region, this is a collection of particularly recommended places to stay, to eat, to shop, to sightsee, Very helpful in deciding, which winery to visit, where to hear music, how find regional specialties. Good advice for the rich (not us), but also for those rich in curiosity. Good source for contact information, and the Kindle edition has useful embedded links. I hope the second edition will have an INDEX, which would enhance the usefulness of this guide (especially for Kindle readers).

Has some helpful travel tips and is an easy read. Had some cool and interesting suggestions, but I found the Rick Steves Guide to Florence and Tuscany much more helpful.

phenomenal guide- totally different from the standard review bookswill use many of the suggestions.j
