Rick Steves Snapshot Northern Ireland

Synopsis

You can count on Rick Steves to tell you what you really need to know when traveling in Northern Ireland. In this compact guide, Rick Steves and Pat O'Connor offer their best travel tips on Northern Ireland, including Belfast, Portrush, the Antrim Coast, Derry, and County Donegal. Visit the Ulster Museum in Belfast, tour the Dunluce Castle or Giant's Causeway along the Antrim Coast, or peruse Derry's political murals. You'll get firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket. Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

Rick Steves has spent 100 days every year since 1973 exploring Europe. Rick produces a public television series (Rick Steves' Europe), a public radio show (Travel with Rick Steves), and an app and podcast (Rick Steves Audio Europe); writes a bestselling series of guidebooks and a nationally syndicated newspaper column; organizes guided tours that take thousands of travelers to Europe

annually; and offers an information-packed website (RickSteves.com). With the help of his hardworking staff of 80 at Europe Through the Back Door[®] in Edmonds, Washington, just north of Seattle[®]; Rick's mission is to make European travel fun, affordable, and culturally broadening for Americans. Irish-American Pat O'Connor first journeyed to Ireland in 1981, and was hooked by the history and passion of the feisty Irish culture. Frequent return visits led to his partnership with Rick Steves and his work as a tour guide and coauthor of this book. Pat loves all things Hibernian (except the black pudding) and thrives on the adventures that occur as he annually slogs the bogs in search of new Irish travel discoveries.

Very disappointed in this book. While titled Northern Ireland out of 103 paged book only 5 were devoted to Donegal. Though Steve's states it is one of the most 'ruggedly beautiful' and that "culturally the county shines" the information only give one driving tour and no information of alternative transportation besides auto. No mention of Donegal City or Letterkenny or other towns for visits a mention. Not at all to Rick Steven standards and would not recommend this book to anyone who is interested in traveling to County Donegal.

Some good recommendations, but a rather brief snapshot that only covers some of the biggest highlights. Even those highlights are covered only briefly. Northern Ireland is small, but independent of the Republic, and deserves a little better coverage. This book is respectable and despite being associated with its franchise fell short.

I was disappointed that this book did not include County Armagh. It includes only the Belfast Area, Bangor, Portrush & the Antrim Coast, and Derry and County Donegal.

Great information. Good book.

Very few photos and only black and white photos. Wanted colorful photos of Ireland. Disappointed.

You can't go wrong with a Rick Steves book; I think they're the best guide books, but I would always supplement any any guidebook with tripadvisor.com

I have use Rick's guide books since my 1st trip to Europe in the 1960. I know this book will help me make good choices as a senior solo traveler.

Great tour guide in book format!!!
