Customer Reviews

I bought this in anticipation of my new Echo along with Alexa arriving tomorrow! While I knew she was going to be helpful and practical, I didn't expect her to be funny and entertaining as well! I haven't been this excited for a piece of technology to curse at me since I was 6 years old with my Speak & Spell! " Word... Not Found."

just not original

More audio demonstrations. Better detail in finding my phone .More examples used to make Alexa more useful. Free gifts to use commands.

Discovered some things I didn't know and its a book to have fun with Alexa.

I'm confused I bought these books now I don't know where to go to get them. Someone email me and let me know where to find them?

I'm a bit of a nerd really enjoyed using this book and talking with Alexa!

This is hilarious!!! I love that there were a lot of Alexa commands!
