Physical Geology: The Science Of Earth

Synopsis

Physical Geology: The Science of Earth, 2nd Edition provides students with a variety of ways to learn the content of physical geology and offer them an opportunity to learn through multiple intelligences. Throughout the text, the challenge of critical thinking and the high-interest of relevant subject matter is used to build on other knowledge. Physical Geology: The Science of Earth, 2nd Edition explores all the standard introductory Physical Geology topics using recent research, innovative pedagogy and a stunning art program to show students how they can take geology and apply it to their world as a whole.

ISBN-13: 978-1118559680

Product Dimensions: 9.2 x 0.8 x 10.8 inches

Shipping Weight: 3.4 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 3 customer reviews

Best Sellers Rank: #64,549 in Books (See Top 100 in Books) #11 in Books > Science & Math > Earth Sciences > Geology > Physical #227 in Books > Textbooks > Science & Mathematics > Earth Sciences

Customer Reviews

Got here way before my class started, which was great, nicely wrapped up and protected-like, and really was new!!!

Great.

when looking at the keyterms they tell you what page the term is on, well that is wrong information being given. The page that the actual definition for the term is two pages back from the page it says it is on.
