Master Techniques In Surgery: Thoracic Surgery: Lung Resections, Bronchoplasty

Synopsis

Take your surgical skills to the next level with *Thoracic Surgery: Lung Resections, Bronchoplasty* a volume in the *Master Techniques in Surgery Series*! This thoracic surgery reference provides the richly illustrated, step-by-step guidance you need to perfect a full range of pulmonary resection techniques, avoid and manage complications, and achieve optimal outcomes. **Key Features** See exactly how to perform the full range of pulmonary resection procedures, both open and minimally invasive, including wedge resection, lobectomy, pneumonectomy, and more. Gain insights from international authorities, gleaning each expert's preferred techniques in rich detail. Efficiently review background, indications and contraindications, surgical techniques, avoidance of pitfalls, and management of complications and results for each procedure, as well as selected references for further reading. Don't miss *Thoracic Surgery: Transplantation, Tracheal Resections, Mediastinal Tumors, Extended Thoracic Resections*, the companion volume by Drs. Mathisen and Morse. Expand your repertoire with other volumes in the *Master Techniques in Surgery Series*! Overseen by Josef E. Fischer, MD, editor of the classic two-volume reference *Mastery of Surgery*, these titles cover a wide range of common and advanced procedures in the major subspecialties of general surgery, including breast surgery, colon and rectal surgery, esophageal surgery, gastric surgery, hepatobiliary and pancreatic surgery, and hernia. Now with the print edition, enjoy the bundled interactive eBook edition, offering tablet, smartphone, or online access to: Complete content with enhanced navigation A powerful search that pulls results from content in the book, your notes, and even the web Cross-linked pages, references, and more for easy navigation Highlighting tool for easier reference of key content throughout the text Ability to take and share notes with friends and colleagues Quick reference tabbing to save your favorite content for future use

Customer Reviews

ebook is...easy to navigate and includes access to search tools for related online content. editors are respected authorities; provides excellent surgical photos and illustrations to accompany the discussions. A wonderful atlas to facilitate learning and teaching thoracic surgery; The interactive ebook enhances the experience and is, in itself, worth the investment. Doodys Publishers Club, Friday, February 13, 2015

Very nice up to date info for any one desiring to know more about the thorax and it's company.
