By reading this book I have learned more from this book. That book topic is really very helpful for all of them especially who wants to know about that. After reading this book, I came to everything about this beautiful place of the world. Thanks author for creating us a new very amazing book for all of us!!

Portugal is the wonderful country in the world. Before i have the dream to let know about Portugal. Finally i read this book. Really it was an excellent book. Full color pictures and decent descriptions of each area of the country are perfect before starting out and reviewing before actually visiting an area. I like all the Portugal Travel Guides.

so nice to learning about Portugal. It help me to undersand how to travel alone there. Now i believe i can enjoy good trip with this ebook. thanks author

It's like a 6th grader wrote this. So many typos. So many grammatical errors. Unattributed quotes. No map. Where is the editor? This book is nonsense and not worth the effort of suffering through the misspellings and incessant grammar issues. It should not even be considered a book. More of an amateur pamphlet about Portugal that someone had bound into a book.

ahh! Now I know exactly where to go when I visit Portugal. Hopefully going within the next 6 months given my finances are in the right place. I'll probably start with Sintra ;)
