Every member of my knit group now wants this book. We want to make everything. Next Christmas will reflect gifts from this book.

Wonderful unusual patterns for practical everyday use and wear. Mostly made with worsted or bulky wool, nice to have a book so specific.

I haven't knitted anything from this book, but I have heard through the knitting grapevine that it's a great book. From what I see, there are detailed instructions and beautiful photos.

Great hats and mittens that people will actually wear for warmth. Thicker yarns and a nice variety of patterns. More sizes would make it perfect.

Love this book there are lots of accessories to knit for yourself and gift giving.

Looks like a lot of great knits in this book.

Good book for quick gifts, fast projects for yourself, and a decent value for the money in the sheer numbers of projects offered.

Plenty of great projects in this book.. I haven't tried any yet...
