The Child Labor Reform Movement (You Choose: History)

Synopsis

It's the 1800s, and you are a child from a poor family. You have to go to work to keep from starving. Will you: Work as a pauper apprentice in an English factory? Emigrate from Ireland in order to work in the New England cloth mills? Make your living on the streets of New York City selling newspapers? Everything in this book happened to real people. And YOU CHOOSE what you do next. The choices you make could lead you to opportunity, to wealth, to poverty, or even to death.

Customer Reviews

Fun twists and turns in the plot that the reader chooses as the adventure unfolds

My children thoroughly enjoy these interactive history books. Great book and keeps kids engaged!

The format is interesting for children at the 5th grade which is appropriate for the state of California of those studying that era

My students love how the book is interactive. It's a great non-fiction piece that has the students paying attention and not bored.

Great images and captions

good story

My 10 year old daughter loves these books. She really enjoyed this one but it was not on her favorite list. Check out this one and all the others. You won't be disappointed

We are a homeschool family and forever looking for ways to make history come alive. This series has done the trick! Thank you! My 9 year old and I thoroughly enjoyed reading the book multiple times.
