Daughter loves JB... I despise him..Thanks....

I purchased this book for my step daughter for Christmas, she is in love with Justin Bieber. I saw that this was a newer book and just purchased it. I was a bit disappointed when I received it. It seems a bit "young". it is like a 2nd grade level to me. She is 12, but since she loved it regardless I didn't bother returning it.

I liked this book lot because it has a lot of facts I didn't know before. I really enjoyed reading it

This is more for a younger kid ages 8-12, not so much for the teen fans. Just lists of facts about him.

I was so excited to get this for my huge Justin Bieber fan daughter, who is 13... But when it arrived it looked as if it were made for a 5-7 yr old child. Really disappointing and think I will be returning it because honesty I'm a little embarrassed to give it to her.

Unless you're getting it as a gift for a very young reader (third grader or younger), skip this rotten tomato and instead get Justin Bieber Confidential, a very good bio with loads of details and photos, or JB: Or The Unexpected Virtue Of Being Swaggy, an excellent novel that actually takes the reader inside Bieber's head.

Very-very disappointed - bought for my granddaughter for Christmas - don't even know if I'm going to give it to her -description of the book is very deceiving - looks like it was written for a 2nd. or 3rd. grader. Certainly not worth the money.Trying to decide whether to return it - I don't really know if she

will like it.

"The Ultimate Justin Bieber 2016 Fan Book" makes this sound like it has a lot of info in it. It's actually just trivia style questions followed by the answers. It's definitely NOT worth \$10! It's the same size and has about as much print as the little Early Reader books that cost \$3.99.
