## Customer Reviews

Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This book has two CDS that has 39 songs. If you want all the sheet music, it's a different book. In my singing class he told us to buy one of volumes in this collection, but all the books are different and nobody knew what we were going to get. So, just so you know what you're getting into, these are the songs.1. I Got the Sun in the Morning 12. Stepsisters Lament 23. Turn Back, O Man2. Doin What Comes Naturally 13. Don't Cry for Me Argentina 24. Take Back Your Mink3. Anyone Can Whistle 14. How Are Things In Glocca Mora 25. Some People4. The Lady is a Tramp 15. Look to the Rainbow 26. Happy to Keep His Dinner Warm5. Don't Tell Mama 16. I Enjoy Being a Girl 27. Always True to You In My Fashion6. What Would You Do 17. Broadway Baby 28. Why Can't You Behave7. Cabaret 18. Could I Leave You 29. The Miller's Son8. the Hostest With the Mostest On the Ball 19. In Buddy's Eyes 30. Send In the Clowns9. Memory 20. Losing My Mind 31. I Can't Say No10. Funny Hunny 21. Diamonds Are a Girl's Best Friend 32. He Wasn't You11. Dance 10: Looks 3 22. Aint There Anyone Here for Love? 33. What Did I Have That I Don't Have? 34. A Clock-Eyed Optimist 35. I'm In Love With A Wonderful Guy 36. By The Sea 37. The Worst Pies In London 38. An Old Man 39. I Ain't Dead Yet

After being unable to find the backing track singly anywhere else for In Buddy's Eyes, I bought these CDs. They just came in the mail today, and I immediately went to practice. Unfortunately, and much to my dismay, after several tries and following along tapping my foot with the beat, I realized something was wrong; the accompaniment on the track just does not match the music in the songbook as it launches into the first In Buddy's Eyes. Ugh. Really! Guess I'll have to look somewhere else. I'm very disappointed.

I didn't read the description thoroughly enough when I ordered this as a gift. This item is just the

CDs, not the book with sheet music.

I was misled by the category of 'paperback' thinking this was the sheet music with the CDs. Now I'm waiting another 10 days to get the sheet music that goes with the CDs.

i should have read the description and reviews more carefully, as this is JUST for the accompaniment cd's. i'm sure i will get good use out of them, however i am disappointed that the book was not part of this purchase. at least for next time i will know to read these descriptions far more carefully!

because this product said it was "paperback", i was under the impression it was the cds AND the music. i was pretty disappointed when it was only the cds and i had to order the music too.

This has great musical theater music! My wife now practice music with my daughter. They both love to sing! Great!

Simply one of the best resources for musical theater songs.
