65 Things To Do When You Retire: Travel - 65 Intrepid Travel Writers And Experts Reveal Fun Places And New Horizons To Explore In Your Retirement

Synopsis

65 Things to Do When You Retire: Travel offers practical, inspiring advice about how to have the time of your life, whether traveling with a group, with a spouse or partner, or on your own. More than 65 intrepid writers and travel experts, including Andrew McCarthy, Elizabeth Berg, George M. Taber, and Lynne Martin, reveal their own personal adventures and describe glorious getaways for retirees, including such exciting travel opportunities as international house-sitting, going to Italy for a writing workshop, wine tourism, volunteering to help communities in developing countries, doing archaeological digs, taking a retirement 'gap year' and chucking it all to see the world. These fun and illuminating essays reveal the best places for retirees to visit-- or relocate-- and show how to plan for your 'great escapes' without breaking the bank. This book is a follow-up to the successful 65 Things to Do When You Retire, which was recently hailed by The Wall Street Journal as '[one] of the year's best guides to later life...Reading the essays in Mark Evan Chimsky's 65 Things to Do When You Retire is like having your own brainstorming session with 65 highly knowledgeable men and women of a certain age and many different walks of life. The collection is full of candor, humor and wisdom.' Note: Thanks to the generosity of the contributing authors, all of whom provided essays on a pro-bono basis, the royalties generated from the sale of 65 Things to Do When You Retire: Travel will be donated to nonprofit organizations dedicated to preventing and curing cancer.

Customer Reviews

Bought this for my mom who is quite the spunky retiree and she LOVES it! She tells me almost daily of the advice that she is putting into practice from the pages of this book!

This book provides LOTS of ideas... and that's exactly what you need to broaden your horizons. The last think you want to do is sit at home in retirement. So buy this book and get going!

Interesting tidbits. Not all the stories relate to my situation though. Nice gift for a retiree but don't pay too much for it.

gave book to a friend contemplating retirement; he is loathe to travel but after reading this book is considering some of the suggestions
