Lady Killer

Synopsis

Josie Schuller is a picture-perfect homemaker, wife, and mother--but she's also a ruthless, efficient killer! She's balanced cheerful domestic bliss with coldly performed assassinations, but when Josie finds herself in the crosshairs, her American Dream life is in danger! A brand-new original black comedy series that combines the wholesome imagery of early 1960s domestic bliss with a tightening web of murder, paranoia, and cold-blooded survival. "LADY KILLER is just as much splash-page gore as it is a biting commentary on American society, creating a well-balanced work for both fans of horror and of smart political thrillers." -fangoria.com

Book Information

Series: Lady Killer

Paperback: 136 pages

Publisher: Dark Horse Books (September 15, 2015)

Language: English

ISBN-10: 1616557575

ISBN-13: 978-1616557577

Product Dimensions: 6.7 x 0.3 x 10.2 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars 36 customer reviews

Customer Reviews

Jamie S. Rich is an author who published his first prose novel, *Cut My Hair*, in 2000, and his first superhero comic book, *It Girl and the Atomics*, in 2012. In between, he has worked on multiple projects in both mediums. He currently reviews film for *The Oregonian* and *DVDTalk.com*. His most recent comic was *Madame Frankenstein* for Image Comics. The author lives in Portland, Oregon.

Visually, this is one of the most exciting comics I've seen for a while. Joelle Jones absolutely knocks it out of the park. Josie's color-saturated mid-century world is immersive, every new page seems to deliver another visual treat either in the fashion or some of the more gorgeously gory fight scenes I've ever seen. The story (perfect 50s housewife is also

a knife-wielding killer-for-hire) is brisk. There's no dull moments, but the slightly familiar nature of the tale doesn't completely live up to the thrill of the art. That said, it's very enjoyable and I'm willing to give the story time to develop if the art keeps being this great.

The cover of this caught my eye and I finally picked up a copy. I read it cover to cover and was not disappointed. The artwork and color palette is amazing, there was no corners cut in this area at all. I can't rave about that part enough, really beautifully drawn, the detail is great, I found myself studying each panel. The story without blowing it is of a mid-century mod, female....Dexter esque character. Dark Horse has some nice comics, this certainly is one of them.

This book is really fun and the art is outrageous, psychotically adorable and brilliant colors. I'm looking forward to more of Jones's work in the future. The story is more spy than serial killer, which was a bit of a surprise. The characters are all quite distinct-looking so it's easy to tell what's going on.

Shipped just fine, and the story is amazing. If you're considering this book, just buy it already. Worth it.

I really enjoyed this book. The art is absolutely fantastic. The story is unique and interesting. It's like Mad Men and Dexter had a comic book baby. Loved it! My only complaint is that it wasn't long enough. I look forward to Lady Killer vol 2!

Very well told story. Can't wait for the next edition.

Brilliant drawing makes up for a somewhat contrived, violent plot.

Great read and amazing art. I cannot wait for volume 2 to be released.
