I purchased this as a gift for a friend who is taking courses to become a certified Lay-Speaker in the United Methodist Church. She was very pleased with it.

This book was required for a class I just completed. I would not have chosen it if it wasn't. But I'm happy I read it. Professor Hickman did a masterful job of condensing a ton of information into such a short book! Very well done.

All that I expected it to be, and more. Worth the money, and a valuable tool

Relatively easy to access, a little bit challenging when navigating.

Excellent resource for understanding how the UMC is governed.

The book met my expectations. I took a course for my Lay Speakers which used that book as a basis for discussion. Thank you for sending it so promptly. Cindy

I got this for a workshop on worship. This price was really great.
