Women's Lives: A Psychological Exploration

Synopsis

Womenâ™s Lives: A Psychological Exploration, 3rd EditionÂ draws on a wealth of the literature to present a rich range of experiences and issues of relevance to girls and women. This text offers the unique combination of a chronological approach to gender that is embedded within topical chapters. Cutting-edge and comprehensive, each chapter integrates current material on women differing in age, ethnicity, social class, nationality, sexual orientation and ableness. The third edition reflects substantial changes in the field while maintaining its empirical focus through engaging writing, student activities, and critical thinking exercises. With over 2,100 new references emphasizing the latest research and theories, the authors continue to pique interests in psychology of women.

Thanks for helping me finish school!

This book goes in detail and gives great descriptions of the topics.

the book came in desired time and in the condition as described. i was extremely happy that it came on time and in great condition. I still have the book even though my class has been over for months now. the pictures are in black and white, not color. just so that is clear.

Textbook

I loved this book and I would read it for fun. I used it for my college course and it's very informational.

Excellent book!!! Kind of expensive but well worth the price. Easy read and tons of multicultural perspectives.

Great condition!

It was new and I had no problem with that. Thank you very much
