Customer Reviews

Absolutely love this book for our son's Italian lessons--and ours! It's a cute little book that has adorable illustrations. It also offers English translations (which I found a mistake, but nothing major) to help your child read Italian more fluently. And it's a really fun little story! I wish there were more books like these out there!

Cute, great illustrations, nice story. Great way to learn Italian.

Did not care for presentation and it was difficult to read.
