## Customer Reviews

This book is stuffed with anything you may need to think about the Ketogenic Diet. It likewise is loaded with extraordinary tips, formulas, and thoughts! I'm enamored with it thus grateful I discovered it. This book disclose to you what Ketogenic eating regimen is and how it functions. I adore how point by point are these formulas incorporate all means and that it is so natural to take after. It likewise incorporates a full nutritious data list which made it much simpler for more control over what you eat. I give this an aggregate suggestion.

Excellent resource for anyone following a Ketogenic diet. This book taught me some really interesting things that I didn't know about this way of eating. The author has smartly describes the diet and all necessary things. This will help us stay true to the principles and eat according to the meal plan even in the face of cravings day after day.

This is a good book to give you different recipe options regarding Keto diet. Fantastic book for beginners. The author did a good job. I like that not only is the book given detailed instructions on how to prepare dishes, but also a detailed diet plan. Often I read only an approximate diet plan. Ketosis is an excellent way out. The most good things of this cookbook is the ingredients are so available that anyone can make these recipes easily. Overall, I am satisfied with this diet cookbook.

If you decided to start Ketogenic Diet this book is for you. There is a lot of usefull information for beginners and for those who is already started. There is also meal plan with delicious recipes, I like it very much.

Good starting point if this is the way you want to eat. Great book full of information and recipes for those wanting information to start the Ketogenic diet. It's a great starter book has great info, I like some recipes only thing it requires a lot of ingred. It gives you great info, some recipes, and almost everything you need to begin the Ketogenic diet.

This is a very good book for those who want to lose weight using the Ketogenic diet. This book gives you a very good and useful advice that will be of great help for any beginner. Also, here you will find the 7-day meal plan. The whole book is intended for Keto - beginners, and it's very well done.

Great book to get started fast. Easy straight forward information and list of foods you can start eating right away. Love the 7 day meal plan. Easy fast read to jump start your Keto life.

Bought this for my girlfriend who was really interested in a Ketogenic diet, but had no idea where to start! This has literally been all she has needed and she's actually enjoying it! Would definitely recommend to people trying to lose weight, but need a structure to get started
