Customer Reviews

Timothy J. Rupert Timothy J. Rupert is a Professor and the Golemme Administrative Chair at the Dâ™Amore-McKim School of Business at Northeastern University. He received his B.S. in Accounting and his Master of Taxation from the University of Akron. He also earned his Ph.D. from Penn State University. Professor Rupertâ™s research has been published in such journals as The Accounting Review, The Journal of the American Taxation Association, Behavioral Research in Accounting, Advances in Taxation, Applied Cognitive Psychology, Advances in Accounting Education, and Journal of Accounting Education. He currently is the co-editor of Advances in Accounting Education. In 2010, he received the Outstanding Educator Award from the Massachusetts Society of CPAs. He also has received the Universityâ™s Excellence in Teaching Award and the Dâ™Amore-McKim Schoolâ™s Best Teacher of the Year award multiple times. He is active in the American Accounting Association and the American Taxation Association (ATA) and has served as president, vice president, and secretary of the ATA. Thomas R. Pope Thomas R. Pope is the Ernst & Young Professor of Accounting at the University of Kentucky. He received a B.S. from the University of Louisville and an M.S. and D.B.A. in business administration from the University of Kentucky. He teaches international taxation, partnership and S corporation taxation, tax research and policy, and introductory taxation and has won outstanding teaching awards at the University, College, and School of Accountancy levels. He has published articles in The Accounting Review, the Tax Adviser, Taxes, Tax Notes, and a number of other journals. Professor Popeâ™s extensive professional experience includes eight years with Big Four accounting firms. Five of those years were with Ernst & Whinney (now part of Ernst & Young), including two years with their National Tax Department in Washington, D.C. He subsequently held the position of Senior Manager in charge of the Tax Department in Lexington, Kentucky. Professor Pope also has been a leader and speaker at professional tax conferences all over the United States and is active as a tax consultant. Kenneth E. Anderson Kenneth E. Anderson is the Pugh CPAs Professor of Accounting at the University of Tennessee. He earned a B.B.A. from the University of Wisconsinâ™Milwaukee and subsequently attained the level of tax manager with Arthur Young (now part of Ernst & Young). He then earned a Ph.D. from Indiana University. He teaches corporate taxation, partnership taxation, and tax strategy. Professor Anderson also is the Director of the Master of Accountancy Program. He has published articles in The Accounting Review, The Journal

of the American Taxation Association, Advances in Taxation, the Journal of Accountancy, the Journal of Financial Service Professionals, and a number of other journals. Â

Bravo!!! Delivered on time and with text that was better than described, brand new. Thank you

AWESOME!! Love the real life examples!!

As already mentioned this is one of the least interesting books you will ever read and I don't feel like I've actually learned anything. My only interest in purchasing the book is to make it more convenient for me to read. I take online classes and up to this point have only been reading online after I log in.

unaware of the access code also needed with the book.

Google explains tax concepts better than this book does. 500 pages of the most boring material ever.

Worst text book ever! Poorly written. Poorly formatted. Formulas not given. Must be ascertained from paragraph readings. I will be buying another text because learning from this one is not easy.

WOOO TAX!

Would not recommend unless it's required for a class. This thing is almost painful to slog through, reading the actual tax codes is more interesting. Its most useful feature is that it has things organized by topic and then has from there an index of where everything is in 26 USC so you don't have to spend hours searching.
