Cancer - Cause And Cure: Based On Quantum Physics Developed By Dr. Johanna Budwig

Synopsis

***** A must have book for every cancer patient (Revised and new chapters added)*****This book provides both an introduction of Dr. Budwig's cancer research and treatment. Johanna Budwig (1908-2003) who was nominated for the Nobel Prize seven times was one of Germany's leading scientists of the 20th Century, a biochemist and Cancer specialist with a special interest in essential fats. Dr. Warburg proved that prime cause of cancer oxygen-deficiency in the cells. In absence of oxygen cells ferment glucose to produce energy, lactic acid is formed as a byproduct of fermentation. He postulated that sulfur containing protein and some unknown fat is required to attract oxygen in the cell. In 1951 Dr. Budwig developed Paper Chromatography to identify fats. With this technique she proved that electron rich highly unsaturated Linoleic and Linolenic fatty acids were the undiscovered mysterious decisive fats in respiratory enzyme function that Otto Warburg had been unable to find. She studied the electromagnetic function of pi-electrons of the linolenic acid in the membranes of the microstructure of protoplasm, for all nerve function, secretions, mitosis, as well as cell break-down. This immediately caused lot of excitement in the scientific community. New door could open in Cancer research. Hydrogenated fats, including all Trans fatty acids were proved as respiratory poisons. Then Budwig decided to have human trials and gave flaxseed oil and quark to cancer patients. After three months, the patients began to improve in health and strength, the yellow green substance in their blood began to disappear, tumors gradually receded and at the same time the nutrients began to rise. This way Dr. Budwig had found a cure for cancer. It was a great victory and first milestone in the battle against cancer. Her treatment protocol is based on the consumption of flax seed oil with low fat cottage cheese, raw organic diet, mild exercise, and the healing powers of the sun. She treated approx. 2500 cancer patients during a 50 year period with this protocol till her death with over 90% documented success. She was nominated 7 times for Nobel Prize but with a condition that she will use chemotherapy and radiotherapy with her protocol. They did not want to collapse the 200 billion business over night. She always refused to support the damaging chemo and radio for the sake of humanity. Lothar Hirneise - Great supporter of Budwig Protocol Lothar Hirneise is founder and President of People Against Cancer, Germany. He travels a lot in search of finding most successful alternative cancer therapies. He has been student of Dr. Johanna Budwig. He is a great researcher and writer on alternative healing. He is successfully treating thousands of cancer patients at his 3-E center in Germany. In the last few years he has interviewed several hundred final stage so-called survivors, meaning patients who were in the final stage of cancer and who are all healthy again today. Based on his findings he proposed a 3 E Program â “ The Mnemonic of Cancer Treatment. 1) Eat well 2) Eliminate 3) Energy

He noticed that 100% of all survivors, did the energy work. In approximately - say 80% of all patients, He found a change in diet. And in at least 60% of all patients, took intensive detoxification rituals. This is the basis of his, so much talked about 3E Program for healing cancer. Lothar Hirneise strongly supports holistic and spiritual approach and includes Visualization, Tumor Contract, Meditation, mild Yoga, Emotional Freedom Technique EFT, Dr. Ryke Geerd Hamer's New German Medicine (Connection of unresolved stress and cancer), Detoxification techniques (Soda Bicarb bath, Epsom bath, Sauna, Colon Hydrotherapy, Coffee Enema etc.) in his so much talked about 3 E Program. The book also, describes about rare herbs used in the treatment of Cancer like Turmeric, Black seed, Ginger, Mistle Toe, Aloe vera, , Echinacea, Lobelia, Essiac Tea, Pau d'Arco Tea, Dandelion

Customer Reviews

Dr. O. P. Verma's book is highly recommended to every cancer patient and to anyone interested in prevention of cancer. The book is a very thorough and easy readable introduction to Dr. Johanna Budwig's method, which starts with bringing oxygen to the cells and energy to the body. The book gives a lot of supplemental possibilities to fortify the method and bring it into a modern

perspective. The language used is formed by Dr. O. P. Verma's clinical experience and his contact with Mr. Lothar Herneise, who was educated by Dr. Johanna Budwig, and he has found a balance between explanations and transparency. The book supports the 3E-Program developed by Lothar Herneise. Eat well (Raw Organic Diet) Eliminate toxins (Detoxification) Energy (Balance the flow of life force) It also contains: Eldi oil, Coffee Enema, Epsom bath, Sun Therapy, Energy Healing, Budwig-Compatible Natural Alternatives to Pain Medication, Remedy for Bone pain. Several methods to strengthen the spirit, as emotional problems must be overcome. Dr. Ryke Geerd Hamer's astonishing discovery of an emotional trauma - brain - cancer connection is nicely explained. A dozen important herbs are highlighted and their positive impact described. The chapter about Ligians gives flax seeds a unique position. Ligian health benefits extend beyond hormone-dependent breast cancer, osteoporosis, and prostate cancer to include brain function, cardiovascular disease, immune function, inflammation and reproduction. The chapters about omega 3, 6, 9 fatty acids and corresponding Series 1, 2, 3 prostaglandins contain vital information also expressed with unusual clarity.

The information is excellent, but the translation is not. I wish they had found a better translator, because what is in the book is a cure for cancer. I read several testimonies from people who healed this way. It is a plea for healthy nutrition, too - that is why I read it. Some comments say the ingredients are hard to find. There are many articles online to either make the ingredients yourself, or where to order them. The originals are very expensive, so I made most myself. If you search a bit, you will find all you need to follow this book. If the translation were better I would have given it a 5th star

This is the greatest book I've ever read. I've already begun changing my outlook and lifestyle because of this book. And I feel a major difference already. It's amazing to believe that the truth is out there and yet people are so blind to it. This book is a life changer to anyone who is willing to give it a try.

This book has good information about cancer and different avenues to use such as herbs, tapping, oils, foods and meditations. Definitely a must read.
