The puzzles are fine and the type I was looking for, But the book and type is much smaller than I expected. Guess I should have read the specs closer. But this is the third book in this series I bought and all of a sudden the size is quite smaller. Buyer Beware!

Easy, but not too easy in that they are still 'puzzles'.

These keep me hopping.....even though they say they are easy.....I find them challenging enough!200 puzzles in this book which makes it a good value.

good easy crosswords....the comments should just not have to be so many....there is no need for that....is there really???? No.

This crossword puzzle book is boring & it's not so easy despite what the cover says. I like puzzles that give me a challenge. This did not do that.

Great product for the price and definitely has some weight to it. I've never had a real chef product, but it cut through my pork chops like butter and potatoes too. Nice packaging also. a present , suit for this price . great . so fast, receive it next day ,
