He speaks directly to the teenage actors, guiding them step-by-step through the demanding and thrilling exercises of the Meisner Approach. Customer Reviews

Dear Larry, I find your books to be fascinating, compelling, and so accessible to anyone unfamiliar with the Meisner Approach to acting. What strikes me the most about it though, is the love which is woven into your attitude toward the acting student and his work. I will definitely be using your texts as my primary source for my acting classes here at Texas Tech. ----Louise T Mallory, Texas Tech University

Of other Silverberg volumes within The Sanford Meisner Approach series, "...recommended for large theater collections in public and academic libraries" and "Silverberg's writing is concise and insightful throughout and makes the technique accessible to any committed student." ----Library Journal "...fascinating..." ----Booklist
