Softball For Addi

Synopsis

Addi loved baseball and could tell you every detail. When she was old enough to be on her father's team, she wasn't allowed. Her father understood and introduced her to a new sport that was similar. Will Addi like it? And will she finally get to be part of a team she longs for? In this fun, animated story, Addi's father introduces her to softball. Much like baseball, it is a team sport with differences you will discover along with Addi as you read.
