Making Luna Lapin: Sew And Dress Luna, A Quiet & Kind Rabbit With Impeccable Taste

Synopsis

Welcome to the charming world of Luna Lapin, a quiet and kind rabbit with impeccable taste. You will learn how to sew your own felt rabbit along with her exquisite wardrobe including 20 garment and accessory sewing patterns. All the clothes are made using the finest fabrics including wool felt, lace and Liberty print cotton. Choose from a perfectly tailored wool coat, matching tweed skirt and bag, or pretty lace set. Not forgetting the accessories--there are bunny boots, pyjamas and even tiny French knickers to create. The patterns are suitable for a range of abilities--the basic rabbit and simple items are suitable for beginners but the more tailored pieces are for more experienced sewers--the level of each pattern is identified and all the patterns are full size. Luna was designed to be passed down by generations as a very special heirloom toy.

Awesome patterns and great illustrations! Love this book!

Quality paper and printing. Fun book. I look forward to making her.

What a great book if you are in to this type of craft. The stuffed chair turned out really cute. Very good instructions.

Fun book with cute patterns and good instructions. I am making the rabbit and some clothes and then will give it to my Granddaughter to continue on the journey.

Have not started yet. I am amazed at how detailed Luna and her wardrobe are!

Easy to understand instructions and so cute.

Love the book & patterns!!! Fast shipping also!

I bought this to make a doll for my little niece. Love, love, love this book! It has cute little stories for all the different clothes, it's beautifully photographed and the instructions are so clear. The patterns are already at 100% scale so you can just make photocopies of them or trace them. I hope the authors make more Luna related books, or other doll books in the same style as this, I'd definitely buy them.
