This was a life saver on a recent road trip. Kids loved it and in the process learned about nouns, adjectives etc in a fun way!!

Our family recently took our first long road trip. This item helped bring many hours of laughs and chats on the drive there and back (24+ hours with kiddos ranging from teen to toddler).

Always fun for the road or home! Great way to squeeze in a little language lesson without them

realizing it, too.

HA! We got this for a LOOOOOOONG road trip and went through them all. Lots of laughs. Great for family road trips.

Loved these used them in a 12 day road trip so fun!

loved doing these on our road trip

I remember these from my childhood and wanted to share them with my kids! Great for some rib splitting laughs with the family and keeps them on their toes with remembering their verbs, adjectives, nouns, etc.! Learning without realizing it, what could be better?

Fun to do with my kids in the back seat while I'm driving
