Customer Reviews

The reason I chose this rating was because all the information that the author(s) gave us was all stuff I really wanted to know but one question I still have is, "What is in the box."

THIS IS SO COOL IF YOU ARE A TRUE FNAF FAN THEN GET THIS!!!!

If you are looking for all the answers to FNAF, this is not it. It was a fun guide to the game and expressed some fan theories and such, but never gave direct answers about the story. Each section of the book is almost like a walkthrough for the game, or even a substitute for those who cannot play it. It discusses fan theories, but nothing more than a search on google couldn't provide. It was an interesting quick read and was well put together, but as I said before, it doesn't have the answers, just discussion. Which is slightly disappointing, but nice to know that there is at least one more novel and maybe a few more games.

My 9 yo daughter loves this book. Is glossy and full of pictures. She LOVES fnaf and the novels are a bit over her head, she loves the way this book is formatted and all the secrets. Her review "This book is fun and funny and half of the things in this book are things I never saw in the game. I give it 5 stars!"

Awesome book! Most of the info was already known to my son, but he enjoyed reading it. Great photos and diagrams!

I LOVE FNAF SO MUCH HAD TO GET THE BOOK WIN I FOND OUT ABOUT IT . TO GO WITH THE 2 BOOK'S THAT CAME OUT. 10/10 MUST READ THIS BOOK IF YOU LOVE FNAF.

A kiddy book for children. This is the kind of crap you find on a shelf in a local Wal-Mart for \$5.00 your kid screams for. It offers almost nothing people don't already know about and frankly, I feel the asking price is too much. I just read it in the store and then walked away thankful I didn't waste money on this crap.

It was a great fnaf guides If you were just starting this is the book for you. 3 more words
