Customer Reviews

After two hundred years of influence, Wesley's teaching continues to be a source of inspiration and guidance to Christians of many denominations. Dr. Steve Harper has provided a fresh, new introduction to John Wesley's teaching. Churches in the Wesleyan tradition (as well as others) have developed a new interest in getting back to these spiritual roots of their faith and practice, and this book provides a basis for understanding Wesley. More than a mere literal reproduction of eighteenth-century Wesleyan theology, this book offers a dynamic and practical introduction to Methodism. It reminds us of the Wesley we have forgotten and shows how Wesley promoted scriptural Christianity. It should be obvious from the following chapter titles that the themes of Wesleyan theology are presented in clear, contemporary language just as Wesley would have done if he were writing today--plain words for plain people - Meet John Wesley - The Root of the Problem (Original Sin) - Power to Begin (Prevenient Grace) - The Turning Point (Converting Grace) - Transformation (Effects of Salvation) - Don't Stop Now (Growth in Grace) - The Heart of It All (Christian Perfection) - The End of the Journey (Glorification) - All Together Now (The Church) - Renewal, The Wesley Way - A Basic Bibliography for Wesley Studies

Steve Harper is a retired professor of Spiritual Formation and Wesley Studies, and a retired Elder in the Florida Annual Conference of The United Methodist Church.

I really like the way Steve Harper brings a scholar's perspective on Wesleyan Theology in such a simple, practical, and easily understood manner. Harper breaks it down into clear segments helping to give understanding of important topics one by one. I recommend this book to my Wesleyan Theology students and to those interested in a great resource to provide an easy to understand overview of John Wesley and his theology.

This book offers a great insight to Methodism. The true Wesley comes out in this book. A Must read for any christian of any denomination!

This product was shipped rapidly and handled well. The problem was that the book had been designated in "very good shape." There was no mention of the fact that there was a great deal of underlining in the book. I would have chosen a different book if I had known this fact.

I really enjoyed this book, it is a great book to learn the theology of John Wesley. Easy to read!
