Thomas Kinkade, the celebrated Painter of Light, is the most widely collected artist in the world. His tranquil, light-infused paintings affirm the basic values of family, home, faith in God, and the luminous beauty of nature. www.thomaskinkade.com

Just got my 2016 Disney Thomas Kinkade calendar and it's gorgeous. It's very bright and vibrant. The pictures are stunning. The pictures include most of the princesses including Jasmine (and Aladdin), Ariel and Eric, Snow White, Tatiana, Belle and Beast, Cinderella and Sleeping Beauty. Other characters include Pinocchio, Mickey, Mowgli, Lion King, Lady and the Tramp, and lastly Peter Pan and Tinkerbell. It's AWESOME. Standard sized calendar. The pictures almost look 3D because they're layered art. I will love it all year long.

This is the second Disney Dreams calendar I have Purchased. There are two designs in the calendar that were not in the previous if Your looking for the Aladdin Thomas Kinkade design or the

Princess and the Frog Artwork. The 2016 Disney Dreams calendar is the one you want to purchase, the only downside is I think the 2015 (last years) calendar had a Sharper Image to the Photos.

As always, Thomas Kinkade pictures are beautiful. I have been getting a Disney calendar for my kitchen for almost 7 yrs now. The only downside is that the pictures are always so similar. Seems they may remove 2-3 and replace with a new picture, but the others remain the same. So many Disney movies with fantastic scenes to choose from... I think it's time to change the rotation a bit. Other than that, simply beautiful and what a great price!

This calendar is a bright addition to the kitchen where I keep the family calendar. I do wish there was more room on the days for notes since my dentist uses an appointment card with an adhesive sticker that fills almost the entire square when I put it on the calendar. I could rewrite it directly onto the calendar, but "ain't got time for that." I love how this calendar has art from movies my son hasn't seen yet. It creates some good Disney history conversations and every child should be well versed in Disney animation history, right?

Though I realize the calendar shots are smaller portions of a whole painting, I'm a little confused by their choices on some of them. For instance, the month depicting a scene-scape 'Lady & the Tramp' doesn't actually have Lady, or The Tramp in the larger portion of the picture. Instead there is a small image of them next to the month name. Just several slightly odd choices, but over all, beautiful images.

Great calendar!! I particularly loved the non-princess pages: Pirates, Winnie-the-Pooh, etc. If there had been only, say, 40% princesses instead of 80%, I would have liked it even better. (Look, the child I got it for loves princesses, but that's not the ONLY thing she loves, and I'd like to keep it that way.) Still, it's a very pretty calendar, and she'll be pleased.

This calendar is SOOOO BEAUTIFUL and absolutely adorable. For some reason, I thought it was a small or mini calendar, but when it arrived, I discovered it's a full-sized calendar and it's gorgeous. It is even better in person. The pictures are magical and the paper is nice and thick, very high quality. Get this calendar while the year is young :).

It's a calendar, so yes, it is predictable. Anyway this is really cool for any Disney fan. The movies

included in the paintings are The Jungle Book, Tangled, Bambi, The Princess and the Frog, Pirates of the Caribbean, Winne the Pooh, Cinderella, Snow White, Fantasia, Sleeping Beauty, Aladdin, Beauty and the Beast, Lady and the Tramp Very nicely done wall calendar, a favorite for kids and adults.
