Customer Reviews

Professor, Department of Medical and Molecular Physiology, School of Medicine, University of Minnesota, DuluthAssociate Professor, Department of Medical and Molecular Physiology, School of Medicine, University of Minnesota, Duluth

Basic Physiology of the heart is explained well in this book. Add a 2nd book for EKG and a 3rd book for pathophysiology and you'll have Cardiology down.

This book is amazing and I'm glad I bought it. Was still in great condition.

Excellent

Great book

Quick and easy

Clear explanations. Perhaps some figures should be improved

Required for school. Easy to read and clear overview.

It's very useful
