Break Away: Jessie On My Mind (Break Away Series)

Synopsis

Winter, teenagers, and dreams of glory come together in this novel about the reaction of a small working-class town when the local hero decides not to join a professional hockey team. Talented Alexandre McKenzie lives on the North Shore of the St. Lawrence River, where in summer he rides the logging trails on his quad, and in winter—after school and hockey practice—he likes to head off alone to a bush campÂ outsideÂ town. When he meets and falls in love with an unusual girl, Jessie, who has been plagued by tragedy, his friends and neighborsÂ criticizeÂ him for stepping outside the popular crowd. Fighting to hold his head high, Alex takes comfort in his love of nature and his sightingsÂ of a magnificentÂ bull moose—and heÂ knows that he does not want a future in sports.

Customer Reviews

"In this young adult novel about hockey, love and the wilderness, the translator (Casey Roberts) met the challenge of rendering the teenage narrator's lively and quirky voice in a faithful yet inventive idiom. *Break Away, Jessie on My Mind* is a re-creation that reads as smoothly as the original."
