Customer Reviews

"This is a significant and usable text for all undergraduate students of art history, and a very good source book for graduate students. It is an excellent source book for students studying the late nineteenth to the twenty-first centuries." - Caterina Pierre, Kingsborough Community College CUNY "It demonstrates a strong commitment to writing a history of modern art that is inclusive of women and artists of color. It is clearly written and works toward thorough consideration of a topic rather than superficial analysis. The best text for a course on Modern Art." - Cynthia Fowler, Emmanuel College "Comprehensive, in-depth study of

respective stylistic developments in history of modernism; high-quality photographic reproductions; fundamental investment in discussing objects through its own evidence; willingness of text and author(s) to adjust with the times.â • Â Â Â Â -Â Mysoon Rizk, University of Toledo Â â œl am pleased with the inclusion of more women and artists of color and with the context, technique and source boxes. As well, I am pleased with the increased quality of reproductions.â •

Â Â Â Â -Â Prudence Roberts, Portland Community College Â

Elizabeth C. Mansfield Â is Vice President for Scholarly Programs at the National Humanities Center in Research Triangle Park, North Carolina.Â SheÂ has taught art history at New York University and the University of the South in Sewanee, Tennessee . A scholar of modern European art and art historiography, her publications include books and articles on topics ranging from the origins of modernism to Picassoâ s Demoiselles dâ Avignon to the contemporary performance and body art of Orlan. Her 2007 book Too Beautiful to Picture : Zeus, Myth, and Mimesis was awarded the College Art Associationâ s Charles Rufus Morey book prize. Â Â The late H.H. Arnason was a distinguished art historian, educator, and museum administrator who for many years was Vice President for Art Administration of the Solomon Guggenheim Museum in New York. He began his professional life in academia, teaching at Northwestern University, University of Chicago, and the University of Hawaii. From 1947 to 1961, Arnason was Professor and Chairman of the Department of Art at the University of Minnesota.

The book was a requirement for an art history class. I find that its full of useful information on history, even if your not in the college level classes and would like the book for fun. A lot of clear photos and displays along with information on artists..Would buy more books if ever need to.

There should really be more attention paid to WOMEN ARTISTS in this book. Yes, there have been just as many accomplished artists as there are men.

Arrived promptly in pristine condition. Great text, good for reference.

Item as described, shipping as expected

Book needed for college class - book arrived quickly and was returned after use.

Good book

Good book

This is a classic text once written from a traditional male perspective, so a little politically out of touch. Now it's been updated by a more current scholar to add a more postmodern point of view. Mansfield has done this without denying Arnason's original achievement in clarity and accessibility. A very thorough look at 20th century innovation, with many color illustrations.
