Piano Music Of Robert Schumann, Series II (Dover Music For Piano)

Synopsis

Dover Publications continues its series of playing editions of musical masterpieces with this selection of Robert Schumann's later compositions for solo piano, edited by Clara Schumann. This second volume contains the major compositions from the period 1838â€”53: "Humoreske," "Novelletten," "Sonate No. 2," "Nachtstücke," "Faschingsschwank aus Wien," "42 Clavierstücke für die Jugend," "4 Fugen," "Waldscenen," "Bunte Blätter," and "3 Clavier-Sonaten für die Jugend." This book has been especially designed as a playing edition â€” the noteheads are large and easily readable at the piano, and the margins and spaces between staves are adequate for written notes, fingerings, and turnovers. It is also most useful for analysis or as accompaniment to recordings.

Customer Reviews

This publication is superb value for the money, as are all full-size Dover editions. Beware the few Dover publications that are 3/4 size with compressed score (ex. Bach Keyboard Music). Those are too hard to read.

When I bought this book I was being cheap trying to cut my costs; let's just say you get what you pay for. I typically buy urtext editions such as Henle, and well, this is NOT Henle. One of the pages inside of the book arrived ripped in the middle, and the piece that I am working on has a misprinted

note (a D-flat instead of a B-flat). I will not be buying this type of edition in the future, I'll stick with the urtext edition that I have been happy with in the past.

What's not to love -- Schumann's piano music is great! This Dover edition is clear, neat, easy to read.

My friend had given me a site to order books from, but I wasn't able to find the score. The title is a little vague, so all these random pieces came up. .com found what I wanted, and it was affordable. They mailed it in a package that kept my book safe.

my family , A great product it holds it sharpness and it's well balanced interest guards to blade and handle. The product itself feels smooth when I use it. Haven't had any issues with it. I would recommend it to anyone looking for a good product for a great price. fast and in time.. good . Very well.

Opus #68 is Schumann's 'Piano Pieces For Children'. It's good to have the entire set. Most students have played pieces from this set in their studies. The Wild Rider, The Happy Farmer, Knight Rupert, etc. There are some real gems in these small pieces, perfect for student recital or for sight reading practice. The rest of the pieces in this volume vary in quality and difficulty, but for the money you can't find the same collection anywhere but Dover publishing. Recommended
