I am beginning an exploration of Tucson with the idea of relocation. The Insider's Guide to Tucson gave an engaging overview with specifics....from real estate to local area highlights, from treasures to natural sights, plus areas to keep an eye out for safety. It was just the place to begin. I am impressed and excited and have a plan to explore places of interest, dine, shop, and a basic idea about local communities.

I got just what I ordered, in a timely fashion, and the book is very helpful.

This is my first visit to Tucson. As I'm going in April and I prepare my trip using this guide. The book was helping me to know where to go and expecting what to find in every place because most of the places they have a web site and now I can be right in the best place. The authors visit Tucson and they make a good job writing this book and I'm very happy for having it
