Bmw: Jubilee Edition

Synopsis

For 100 years, BMW's blue and white propeller logo has been associated with top-technology, sophisticated design, comfort and reliability. BMW cars give you wings, not so surprisingly, as the company was established in March 1916 as an aircraft engine manufacturer. Its reputation of constant innovation and timeless elegance has conquered generations of drivers around the globe. In this jubilee edition, car photographer Rainer W. Schlegelmich pays tribute to the tradition of excellency that made BMW's brand stand out among the world's great carmakers. All car models, presented in chronological order, are beautifully photographed and described, from the early and legendary models such as the pre-war 328, the 507 from the 1950s, or the M1 of the 1970s through to the brand-new releases and prototypes. This book invites for a fascinating tour of BMW's unique car style. It will ravish car collectors and BMW fans alike. Includes the following new models: BMW i3 (I01) BMW i8 (I12) BMW 2 Active Tourer (F45) BMW 3 GT (F34) BMW 4 Gran Coupé (F36) BMW X4 (F26) BMW X5M (F85) BMW X6M (F86)

Rainer W. Schlegelmilch studied photography in Munich and in 1964 opened a studio for advertising photography. During his studies, visits to car races led him to discover his passion for motor sports and fast cars. --This text refers to an out of print or unavailable edition of this title.

Rainer W. Schlegelmilch studied photography in Munich and in 1964 opened a studio for advertising

photography. During his studies, visits to car races led him to discover his passion for motor sports and fast cars. Hartmut Lehbrink's studies of English and German philology took him to Geneva, Münster, and Bonn. He has written numerous contributions for periodical publications including Auto, Motor und Sport and ADAC-Motorwelt.

I'm a BMW Client Advisor and BMW Owner for over 12 Yrs. A must have in your library. It will tell you the real story behind your BMW.

great book must read for any motorhead

What a great coffee table book....if you love BMW's I highly recommend this book

Very nice book was a gift for my son who drives a BMW. He absolutely loved this high quality book. I would highly recommend this book for BMW enthusiasts.

My husband is a BMW enthusiast and absolutely loved this when I got it for him for Christmas

Beautiful photos and well written

Very comprehensive book for BMW fans.

The book lacks description of some notable BMW models.
