My First Bilingual Book–A Day (English–Vietnamese)

Synopsis

Guaranteed to enrich a toddler's vocabulary, this simple and fun series of bilingual board books is ideal for helping children discover a foreign language. Highlighting more complex concepts that go beyond colors and numbers, titles in the series feature animals, clothes, fruit, home, jobs, music, opposites, plants, school, sports, tools, vegetables, and vehicles. This collection combines photographs, bright illustrations, and dual-language words in clear, bold text. Suitable for both individuals and groups, these books are a child's perfect introduction to exploring other cultures.

Customer Reviews

Milet Publishing is a leading independent publisher of books for children, young adults, and adults, featuring more than 300 titles in English and more than 25 languages that celebrate multiculturalism and multilingualism.

Exactly what was expected - simple text (bilingual) accompanied with clear pictures. The computer generated illustrations won't win any awards but are simple, clear and engaging enough for a 6-9 month old. I would deduct half a star if I could for some of the Chinese phrases - more awkward and perhaps "google translated" than the conventional Chinese translation for the English phrase

I used this book to help teach my undergraduate students how to talk about their daily routines.

They loved it, I love it, and I'm very happy that I bought it.

Not simple words. It contains phrases and would not be easy for a child to learn from it.

I bought this off the mobile app which doesn't allow you to preview the book. It assumes you can already read Japanese characters which isn't helpful if the parent or child doesn't know Japanese but would like to learn.

This series was great! I got 3 books in the series for my goddaughter, who is growing up in a bilingual Russian-English household. Her parents told me that they were "perfect"!

The illustrations are not that great. Book is pretty boring but I guess it gets the lesson across.

Great book. I read each night to my baby girl. Looking forward to buying others in this series.

I understand that the author may trying to keep words simple, but it is very poor translation...I bought this for my husband to teach Korean.....
