I used to be a trash boy. Real scum. I was a garbage rat wandering the Midtown streets past 10pm (on a school night, mind you) with a band of hooligans. I cast those companions aside. I picked up Tim and Eric's Zone Theory and you could say that it really opened my eyes. I divorced my real wife and all my friends became discards. It only took SECONDS (that's it!) to become a Zone Plane 8. My Zone wife J'ulani are expecting our first zone child in March. My Quar levels are at an all time high. I recommend that you buy this book. Stop praising the low god Prim and look to the Turkey Lord. Ba'hee, my friends.

I was a pale, stout man with no future before "Zone Theory." Now, I'm a Zone Plane 8 boy. I am a randy, tan man and have multiple zone wives. My bank account is growing by the day by

befriending dying men with kind hearts. Buy this book now, men.

I cannot read a single page of this book with a straight face. Tim and Eric look very handsy in their white suits, I wanna kiss them on the lips. I also wish I could read the last chapter but it's Not For Women. Great Job!!!

Disclaimer: I haven't read all of it, because I'm a woman and the Zone Theory doesn't apply to me, but my boyfriend said it was pretty good. Chock full of Tim and Eric humor, in book form. Perfect for the Tim & Eric fan in your life!
