Dreamspeaker Cruising Guide Series: The Gulf Islands & Vancouver Island, New, Revised Third Edition: Victoria & Sooke To Nanaimo, Volume 1

Synopsis

These popular cruising companions offer charts, tips and data that will enhance the enjoyment and safety of any voyage. The guides feature informative and charming hand-drawn shoreline plans of selected marinas and small boat anchorages, ranging from safe all-weather havens to secluded picnic spots and marine parks. Intended to complement official hydrographic charts, the Dreamspeaker Cruising Guides accurately pinpoint both popular and little-known highlights in BC and Pacific Northwest coastal waters that every sailor, power-boater or kayaker should know. Written in the personal style of a boater's logbook, the accompanying text provides vital information about featured locations, plus notes on recreational activities for adults and children. Here you will find the best spots to anchor your boat, share a romantic sunset, enjoy a fine meal, pick blackberries in season--even locate a welcome hot shower or cappuccino! Aerial photographs illustrate safe approaches to the destinations, while full-colour scenic photographs showcase the splendour of the Pacific Northwest Coast.

Accomplished boating guide authors Anne and Laurence Yeadon-Jones have produced a series of seven Dreamspeaker Guides that provide the most detailed coverage of the Pacific Northwest, from Olympia, Washington State to Cape Scott, British Columbia. Over the last 27 years the Yeadon-Joneses have logged thousands of cruising hours charting, recording and photographing their travels. As passionate ambassadors of the Pacific Northwest's unspoiled cruising waters, their

Dreamspeaker Guides are filled with meticulous hand-drawn charts and vital information that guide boaters safely into busy harbors, marinas and sheltered anchorages. The Dreamspeaker Guides began with Laurence's love of drawing, design and geography and Anne's flair for descriptive and entertaining letter writing. Combining their talents, they were able to create a successful series of guides that promote a safe and fun boating lifestyle. I bought this book for a planned cruise of the Canadian Gulf Islands after successfully using the same authors San Juans book last summer. In addition to all the nautical information given there are photos of areas, which for me is helpful in making a decision to go there or not. Certainly should be on your list of informational books for a planned cruise.

Excellent layout with great sketches of each island, anchorage and harbor.

I love the Dreamspeaker Series. All are classic must read for helpful local knowledge from reliable experience.
