St. Alphonsus Liguori was born in 1696 to Neapolitan nobility at Marianella, Italy. He became a recognizable lawyer after going through law school at the age of sixteen, but later decided to leave law in favor of giving his salvation more attention. Alphonsus joined the Oratory of St. Philip Neri as a seminarian and was ordained in 1726, when he was thirty. The homilies he gave had the special ability of converting those who had fallen away from the faith. He also founded the Congregation of the Most Holy Redeemer, and authored such works as The Glories of Mary, The True Spouse of Jesus Christ, Attaining Salvation, The Blessed Virgin Mary, Preparation for Death Abridged, What Will Hell Be Like?, The Twelve Steps to Holiness and Salvation, and The Way of the Cross. After being a bishop for over a decade, St. Alphonsus Liguori died on the first of August, 1787. He was canonized by Pope Gregory XVI in 1839, and declared a Doctor of the Church in 1871. His feast is celebrated on August 1.

I just received this book, and have only read a few pages. I have several Christian books, but none of them compare to the "WOW" factor from this small book ! The author says to talk to God as if He is with you as a you would talk to a friend. Well, I'm a talker, to say the least, and many times I have heard myself talking to God. I have thought I was being NOT reverent, that He deserves to be talked differently than I would talk to a friend ! The little I have read so far, I now know He likes to hear all of us just talk to Him--plain and simple. I frequently say " What do you want to do today, God ? Now I have to finish the book to HEAR His answer.

Once again, anything written by St Alphonsus Liguori is remarkable and outstanding. He is, after all, a saint and a Doctor of the Catholic Church. This small booklet is quite extraordinary and very well written with many biblical references. It is a must have in your library if you wish to know how to talk to God in a more familiar manner. I also thought so much of this booklet that I bought fifty [50] more to hand out to my friends. Do I like it? You bet, and I believe once you read it you will be back for more writings by St Alphonsus. Also see his booklet - What Will Hell Be Like?

Wow!!! the first time I read its title, I bought right away!! Conversing or praying to our GOD is wonderful! Another great book by a saint. Buy them!! Another wonderful book is Speak Tagalog, A Basic Primer by Juanita de Guzman Gutierrez on sale now at . Learn Tagalog easily and quickly for friendships. The Blessed One children book also by Gutierrez at will turn your kids love to read and read. Along with, The Just One, Full of Grace, Chosen You Forever at by Gutierrez are delightful kids books. Enjoy!!

This is a wonderful little book about talking to God. And that's what we should do: we must talk to our Father about our days and our desires and our love for Him, our gratitude for the gift of His Son, the list is quite literally endless. My favorite thing from this book is learning that if my mind wanders when praying, and whose doesn't?, perhaps what my mind wandered to is what I ought to be discussing with Our Father. I cannot recommend this little book highly enough.

There are two books in this vein, whereby we practice the presence of God, that should be read if you want to move your lips (mostly silently), head, eyes and heart to God, simply and quickly throughout your day. This one is by far the best, but a distant but no less necessary second is 'The Practice of the Presence of God' by Brother Lawrence. My recommendation, buy

both. Recommended The Practice of the Presence of God

Short little bite size increments in a tiny booklet, that are incredibly useful, practical and efficacious. Doesn't cost much and its an easy read accessible to anyone.

This is a sweet to the point kind of book. I would recommend it to anyone that is trying to get closer and meditate in front of the blessed sacrament. It also has great prayes on the back and offers simple ways to communicate with God. I really like it and would recommend it to anyone.

Very practical and well thought out. Easy read but full of wisdom. I'm not fully there on my spiritual journey but this helped me to plot out my paths in many practical ways. We shall see how God will lead me.
