Weird But True! Collector's Mega-set: 1,800 Outrageous Facts

Synopsis

Get six incredible, full-length Weird but True! books in one out-of-this-world collector's mega-set, featuring all-new outrageous trivia and eye-popping photos in every book and all the fun you've come to expect from this wildly popular series. Fascinating information and lively art combine to make irresistible brain candy for young readers. Kids will have such a good time that they won't even realize they're learning! Did you know that "borborygmus" is the word for the rumbling sound in your stomach when you're hungry, or that some butterflies drink turtle tears? The creators of National Geographic Kids, the nation's most popular kids' magazine present the Weird but True! Collector's Mega-set. It's chock-full of 1,800 wacky, wild, mind-bending facts about everything on Earth and beyond, including animals, food, science, pop culture, outer space, geography, weather, and more! They will so wow family and friends that you won't be able to stop turning the pages of these brainteasing treats.

Customer Reviews

NATIONAL GEOGRAPHIC KIDS inspires young adventurers to explore the world through award-winning magazines, books, website, apps, games, toys, television series and events and is the only kids brand with a world-class scientific organization at its core.

Love this set. We have 4 kids. Three we have found the genre that interests them. Our 4th child loves books that contain lots of facts. No libraries near as have the Weird but True books. He reads and rereads these books as do other three kids and even I (the mom) read these books.

So. Many. Facts.

great

The grandchild i bought it for really enjoys it.

Great little books. Really enjoying them!
