I like this book as a good easy reference book that tells you how to determine the age and value of your Hummels. My first book by Robert Miller was 15 years old so I bought a newer one. I wasn't concerned that it was the newest because prices don't change a great deal, also I am not interested in selling at this time.

I've been collecting Hummel's since my mom started me on them years before she past away. This book is a great guide for me. I'm still extremely new at this but I use the guide when I make my

purchases. I have never paid morethen 50% of this book's list price for any item, in fact my guide is 15% - which works well for me. When collecting,remember: no nicks, chips, cracks or repairs...rra

Since I was a child, I have loved the genuine Hummel Figurines, Plates, etc. And as I grew up, discovered that there are Hummel look alikes. A true Hummel collector needs this book. When I realized I wanted to buy a couple of Hummel's, I ordered this book and took it with me as it covers everything I needed to know before the purchase.Great book!

Book is well done with high quality full color pictures of each piece. Recommend this book to others as a go-to Hummel reference guide.Unfortunately, prices have collapsed. Hummel pieces are selling on EBay for less than half of the values shown in the book. The book can tell you which piece is worth more than another - but the values shown are 3 or 4 times what you can buy the item for on EBay.Hummels make for a beautiful collection - but do not appear to be a great investment.

Didn't find the publication easy to navigate and find the price of hummels I own.Not user friendly or easy to use if you are a once in a while collector or purchaser.

Very satisfied

This booked helped me sooooooooooooo much in the purchasing of over 150 Hummels. I knew what to look for to judge their value. It was really fun referring to the description and background of each figure. I also enjoyed the bios of the sculptors. Recommend to any collector of Hummels.

It was in good condition. Good pay.
