Limitless Energy: How To Detox Toxic Metals To End Exhaustion And Chronic Fatigue

Synopsis

Learn how to unleash unlimited energy with the power of detox. Did you know that your body is full of toxic metals? And that these metals interfere in your body's ability to produce energy? You must detox if you want to maximize your energy. Limitless Energy is an invaluable guide that will reveal what toxic metals cause fatigue, where you're getting the metals in the air, food and water. And how to safely detox them to reverse chronic fatigue and increase your energy...for life. There are 100,000 chemicals and dozens of toxic metals in our environment. No one is immune to its effects on our energy, brain function and our health. You must learn how to detox your body in our ever-toxic world if you plan to live a long time healthy, disease free and medication free. Are you eating great, sleeping well, and exercising and still don't feel your best? Toxicity is the most likely culprit. You must add detox protocols to your healthy lifestyle to maximize energy production and feel your best. Limitless Energy teaches you how to do exactly that - how to detox the right way - to increase your energy and longevity and maintain a youthful appearance. Learn More about How to Detox Correctly

Customer Reviews

Wendy has written a concise and clear guide to cleaning up your symptoms and reclaiming your health. Definitely worth adding your library.

Wendy's knowledge of toxic metals and their effect on our health is evident in this book! In an easy-to-follow format she explains how chemicals and metals in our daily environment robs us of our energy and suggests supplements to remove them. Like so many others I felt fatigued despite living a healthy lifestyle. This book sheds light on the issue and taught me the importance of detoxing to rid myself of these toxins. Really enjoyed reading it!

Wendy's life is dedicated to helping people to live healthy lives. Her new book is some strong evidence of this! Live and learn with Wendy's "Limitless Energy" book.

700 Chemicals found in blood? That's why I love Wendy's detox providers I love my sauna and use it often.

Easy to read and so much valuable information about heavy metals and ways that we can start detoxing them to get our energy back. So many great recommendations, protocols and just over all resources. Thank you!

After reading wendy's book I have finally realized one of the reasons I am so tired all the time! I eat good, I take high-quality supplements, I work out a few times a week and I try to sleep 8 hours a night. But I'm still tired! Wendy's book opened my eyes as to why. I am for sure doing her detox program and get the testing done to find out what heavy metals I have in my body!!!!!!

The information in this book might actually be helpful, but it is so poorly written and so obviously an extended sales pitch for the author's products and services that whatever might be of use is legitimized and obscured. Hire a good ghostwriter or editor next time--not a cheesy marketer.

The book has some decent information for the average person who is just learning about detox.
