Cite-Checker: Your Guide To Using The Bluebook, Third Edition (Aspen College)

Synopsis

Cite-Checker: Your Guide to Using the Bluebook, Third Edition, provides students with a comprehensive self-paced guide to citation form according to The Bluebook. This concise paperback is rich with lucid explanations and sound advice and will prove a valuable complement to any legal writing or research course. This practical and pragmatic guide to learning proper citation form features:

- An easy-to-use, self-paced tutorial to citation form that includes rules, exercises, and answers
- Explanations of the rules established in The Bluebook along with a complete and thorough overview of citation form
- A hands-on exercise in each chapter, with answer keys to the exercises included in the text
- Practice Tips, offering practical advice on using The Bluebook, in every chapter
- A logical, step-by-step format to help students build confidence with citation skills
- A bonus section on preparing tables of authorities for briefs and court documents a topic not covered in either The Bluebook or ALWD

Completely updated to the 19th Edition of The Bluebook published in June, 2010, the Third Edition presents new and revised exercises throughout. This concise, readable paperback offers thoughtful and thorough explanations of important concepts with self-checking exercises that will help students confidently master those concepts.

Customer Reviews

For anyone just going into school for the law, or paralegal profession, or anyone considering doing legal research, this book is a MUST! I have never before heard of needing a book to help you decipher a book, but here we are. The 'Blue Book' is one of the hardest to understand reference

books on the face of the planet, and possibly the galaxy as well. I lovingly referred to the blue book as the 'Necronomicon', because it is evil sandwiched between pages of text that at first seemed to have been penned in ancient Aramaic. During my legal research class I was completely happy to have Cite Checker in my bag as I watched my classmates rip the hair from their heads in total frustration of having to find citation rules in the blue book because our profession was a cruel and soulless woman! (J/K) To sum this up, this book will save you time, money on migraine remedies, sanity, and save your fluffy follicles from being yanked from your scalp in frustration. It is clearly penned, and explains the blue book in a way you wish the blue book explained itself in. I rate this book highly, and will keep it for years to come.

Very helpful to understand (and sometime replace) Bluebook.

opened this book yet but I received it already and saved money off bookstore prices, even used versions were pricey at the store

If it wouldn't have been for the down to earth explanations, I NEVER would have made it through the Bluebook citation class!

This is an awesome tool for paralegals, attorneys, or anyone who would like extra help with learning to cite check and use the blue book. I highly recommend it.
