From God To You

Synopsis

From God to You is a book of contemplation, written from the point of view of God speaking directly to you. It incorporates reflections on scripture and paraphrases of scripture. Conveniently divided into thirty chapters, one for each day of the month, this book is ideal for daily meditations. It is available both in ebook format and in paperback. From the book: There's a time for everything. I've placed you in your current circumstances for a purpose. My will is revealed in the events of each moment. You're exactly where you're supposed to be. I am the true light that gives light to everyone. Leave everything to me, and my peace, which passes all understanding, will fill your heart and mind.

Customer Reviews

The book is written as if a God were talking face to face with you. Catchy and uplifting, thought

provoking and biblically based make it a good devotional. I could see a parent using it to teach children. What a great way to approach God's love for each of us and to teach a careful behavior toward others. Recommend.

I love the way this book is written. Every time I need a pick me up I choose this book. It is a blessing in my life. Thank you!

Tears rolled down as I read some of the quotes. Felt as if like God is directly speaking to me. Most of the concepts are repeated, but those are worth repeating :)

Might be good but they don't mention it's from the Roman Catholic bible. Includes Apocrypha and totally out of context remarks about Mary and how she is our spiritual mother and we should rely on her. If you aren't a Roman Catholic, don't buy this book.

This is like reading the Bible. I love the version of this. It is so plain to read..AMEN!

A book that needs to be read--straight to the soul of things

This a great inspirational read.

What a delightful way to be reminded of God's truth with little golden nuggets of scripture. Whatever your feeling, there is encouragement to live God's life with this little volume.
