Synopsis

Improve your comprehension, grow your vocabulary and ignite your imagination with these unconventional Italian short stories! This is Volume Two of the international best seller, featuring eight brand new stories! In this book you will find: Short stories from a variety of compelling genres, from science fiction and crime to history and thrillers, so you'll have great fun listening, whilst learning a wide range of new vocabulary! Stories broken down into manageable chapters, so you always make progress with the story and feel a sense of achievement without great difficulty! Realistic amounts of new vocabulary so you're not overwhelmed by complex words. Instead of pausing to look up every word, you'll absorb new vocabulary from the context of the story, and experience that moment when you say: "I totally understood that sentence!" Carefully-crafted Italian using straightforward grammar that is comprehensible for beginner and intermediate level learners. You'll enjoy listening and learning new grammatical structures without any feelings of frustration. Plenty of natural dialogues in each story, so that you can learn conversational Italian whilst you listen, and improve your speaking ability at the same time! Italian Short Stories for Beginners has been written especially for students from beginner to intermediate level. The eight captivating stories are designed to give you a sense of fun while listening, so you can enjoy Italian again!

Customer Reviews

Not as interesting as the first volume. Also, there are a lot of mistakes that need to be fixed!

I was very glad that Olly wrote this second volume. My favorite language learning activities are

listening to music and podcasts, and reading. However, learning to read for understanding when starting a new language is challenging. Armed with Olly's books of short stories, I felt equipped to develop the skills in reading I needed to get started in reading Italian books and stories!

Great reads for a person trying to learn Italian through story reading. I found the stories basic although entertaining. Using both of Olly Richards' short stories helped me build my vocabulary while at the same time get used to seeing many forms of verbs so that I can easily identify them even without grammatical understanding.

Bought together with audible version. Great to build vocab, sentence structure, and develop good pronunciation.

Loved it! The silly and quirky stories made me want to keep reading -- just one more chapter over and over again. Even though I didn't understand every word, it was easy to get the gist of the story. It was so more entertaining than trying to read Italian about the culture, politics, history, etc.

Very good for beginners. I followed the authors' advice and read the story once, to see how much I could comprehend. Then I read it again and looked up any words I did not comprehend. Each story was different to appeal to various readers.

It was entertaining and different so I enjoyed that aspect. On the other hand there were expressions and maybe even tenses used that I didn't think I would use again in trying to learn to converse in Italian.

Excellent way to improve your Italian. I read at the beginning of the book the authors' approach explaining how to read the stories and found it to be right on. Very helpful and enjoyable!
