The Complete Dark Tide Trilogy: A Seven Stars Collection

Synopsis

The Complete Dark Tide Trilogy An exciting military space opera adventure collection. Book One: Emergence War has come to our galaxy. The Federation of United Planets, a galactic republic, has been invaded by the brutal alien race called the Krai'kesh. Using organic ships and strange new weapons they sweep through all resistance. They show no mercy or remorse and cannot be negotiated with. Veteran Federation captain Martin Rigsby, stationed at the edge of the galaxy, must lead his fleet in a desperate bid to stop the alien invaders, while a small band of magical heroes makes a desperate last stand. Book Two: Eclipse The Federation burns at the hand of the Krai'kesh. Captain Martin Rigsby and his fleet, in the midst of a war for human survival, charged with defending the outer rim of the United Federation of Planets and thus the whole Federation, is about to be eclipsed by overwhelming odds and new alien weapons. A ruthless Krai'kesh fleet will stop at nothing to crush Tar Ebon's only nearby fleet. Can they survive? Elsewhere, heroes of the Federation must use every tool at their disposal, from magic to espionage, to stop a devious Krai'kesh plot beyond the battlefield. Book Three: Ruin The Federation lies on the brink of ruin. The alien invaders, known as the Krai'kesh, are on the verge of victory. Using advanced alien technology and a ruthless strategy they deliver blow after blow to the Federation. Adding insult to injury, the Federation is betrayed from within by the Cult of Rae, adherents to the Krai'kesh god-emperor. Besieged on two fronts, Admiral Martin Rigsby and his fleet struggle to hold the line against both Krai'kesh and traitor fleets. Meanwhile, heroes of the Federation, both magical and mundane, try to stop conspiracies elsewhere in the galaxy. The Krai'kesh and their allies will not rest until their god-emperor's will is done and the Federation is destroyed. Now is the hour for the Federation's greatest heroes to rise...or fall. All humanity is counting on them.

Customer Reviews

A very well developed series with great characters, lots of action. Plot is top notch, lots of background on the characters. You get to know the people feel for them. This is a collection I would love for my bookshelf.

Great set of books in one package! I loved them! A lot of action and never boring. I found myself wanting to turn the page before I finished it because I got so into the books. Eager to get to the next thing going on. Well worth the time to read these books!

Couldn't put it down
