Collins Nigeria Primary Atlas

Synopsis

Collins Senior Secondary Atlas for Nigeria is a stimulating resource for reference, investigation and skills building. The atlas has been developed specifically for schools in Nigeria. It has been designed to stimulate and inspire students with its syllabus specific content. The maps give in-depth coverage of the country and its issues. Topics included in the atlas help pupils to understand the relationship between the social and physical environment, the country's challenges, its socio-economic development and inter-relationships with neighbouring countries and the wider world. The mapping is accompanied by facts, diagrams, graphs cross sections, and statistics at country, regional, continental and global level.
