Customer Reviews

This is a great read! A multitude of recipes with thorough instructions. I've spotted a couple recipes with errors (Chicken and Rice Salad and Dried Fruit Filling). I believe instead of 1D2 it means 1/2, etc. I'm looking forward to trying many of these ideas.

Good information in the first half of the book. Was not impressed with the recipes.

Our go to book! We are new to dehydrating but I honestly think that we have done everything in here except for dehydrating eggs. Still not quite sure of that one. Anyone know how long this will stay good on the shelf? We vacuum bag everything after dehydration.

Great book - easy to follow directions - just what I was looking for
