Customer Reviews

Because everyone should have a Pope Francis bobblehead.Amen.

It was small & perfect.

I basically bought this item for the bobblehead, and the bonus is a cool little book also. Yes this is smaller than most average bobble head figures but it's still very cool, I actually like the size of this guy. I can place him in the dash of my car, or on my desk, in fact its a perfect size.

This is adorable. It makes me smile. It is the first and only bobble head I've ever owned, as, I think they are stupid. But this one is utterly charming. Made of durable plastic. Guaranteed to last generations. The only problem is, someone may steal it! (ironically) :)

Tiny but cute

I love it! Arrived just as described. Love the little accompanying book of quotes.

my tiny Pope greets me every morning truly adorable

First you should know this guy is TINY. Maybe 3 inches tall. The book is cute and he is a great little figure.
